Touch
has a
memory

John Keats

Our fingerprints don't fade from the **lives** we touch.

Judy Blume

One touch of nature makes the whole world kin.

William Shakespeare

Touch is the magic wand of intimacy.
Love is keeping in touch.

Denis Waitley

Touch
the body
Heal
the mind
Calm
the spirit

If you want to touch the **past**, touch a **rock**. If you want to touch the **present**, touch a **flower**. If you want to touch the **future**, touch a **life**.

Too often we underestimate the **power** of a touch, a smile, and a kind word

Something in your past wants to be touched, healed.

Tianna Clark

When the spirit of nature touches us, our hearts turn into a butterfly!
